Proficiency (Spoken)

PROFILE

I am a Computer Science student attending Queen Mary University of London. My course is four years long and it includes the opportunity to study abroad for a year. I have learnt to be independent, confident and have the ability to work in or lead a team due to past experiences and my participation in the Air Training Corps. I am a smart versatile person, who can cope calmly and effectively in all situations.

You can find more information about myself on my portfolio:

WORK EXPERIENCE

WORK EXPERIENCE AT SODEXO

2014 (2 Weeks)

- I worked alongside the IT department in helping fix technical problems with computers around the building and setting up PC's and laptops for staff to use.
- I helped the IT department with sorting out the staff's mailboxes and permissions which I then had to present the data in a spreadsheet.

IT ASSISTANT AT SB COMPONENTS LTD

2016 (6 Weeks)

- I helped make changes on their website by adding, changing and removing products
- I helped test new products the company was producing by writing code in Python and giving feedback on how to improve

CASHIER AT SPAR ACTON

2016 (6 Weeks)

- The job involved me interacting with customers and dealing with money, issues or enquiries the customers may have.
- I was also tasked with keeping the place clean and restocking the shelves with new products.

SKILLS

Microsoft Office - Advanced

Adobe Photoshop &
Premiere Pro – Intermediate

Programing –Python, Java, Java Script,
HTML, PHP

SOFT SKILLS

Leadership
Mentoring/coaching
Teamworking
Presenting
Project Management
Negotiating

VOLUNTEER EXPERIENCE

MAGIC SHOW FOR CHILDREN IN NEED

I participated in a magic show my high school was hosting in order to raise money for the charity, Children in Need. I was one of two magicians to perform in front of an audience of around 50 students and teachers.

SUN 'N FUN

This was a week that I spent in Florida to help out in the airshow. My duties rotated during the week, but I was mostly helping out with parking the airplanes. We would work as a team and marshal the airplanes into their appropriate parking space. Other tasks included working at the counter to sell tickets, helping escort vintage and fighter planes and helping planes park in various locations for various reasons

VARIOUS EVENTS WITH THE ATC

During my time with the Air Training Corps, I have participated in many charity events. Charities I have raised money for include; The Royal British Legion, Children in Need, Help for Heroes and various fund raisers for the squadron. All the events involved me interacting with people and promoting the respective cause.

OTHER EXPERIENCES

PRESEDENT OF QMUL MAGIC CIRCLE

I am currently the president of the magic society at my university. I have been doing magic for over 5 years now and I have participated in may magic shows and done may street performances. This is why I felt confident enough to start a magic society. In the society, we hold magic tutorials so new people can come and learn tricks. We also hold magic shows from time to time to raise money for the society.
